## Custom Tiller Cover Measurement Form

---

Customer Name: \_\_\_\_\_ Date: \_\_\_\_\_

Sunbrella Color: \_\_\_\_\_

**A** Length of tiller from the forward end to the point where the tiller meets the rudder post

**B** Circumference of the tiller at the forward end

**C** Circumference of the tiller where it meets the rudder head

**D** Do you have anything attached to the tiller such as a Tiller Tamer or tiller extension?

**E** If you answered yes to D, please give the circumference of the tiller at the widest point

**F** What is the distance from the FORWARD end of the tiller to the location of the attached item?

We need this information to create your custom cover. You can add this information to the notes section during checkout, or email the measurements to [standoutyf@gmail.com](mailto:standoutyf@gmail.com), or call us!
